

Think BIG. The results? Multi-purpose digital marketing collateral with proven performance.

Custom digital media projects enable advertisers to leverage Questex Media’s editorial talent, marketing prowess and market access.

When ROI is everything, digital media projects are the answer. Custom e-books, e-newsletters, and micro-sites bring valuable information to the reader in a format on which the advertiser can capitalize.

CADALYST ACROBAT INSIDER E-NEWSLETTER

Cadalyt’s Acrobat Insider e-newsletter features tips and tricks for Architecture/Engineering/Construction (AEC) professionals who use Adobe Acrobat Professional and the PDF format. Published monthly, the Acrobat Insider is a collaboration between Adobe and Cadalyt.

CUSTOM E-BOOKS

Custom e-books offer optional lead capture along with complete tracking statistics, including visits.
